Zeeland Girl Dies After Fall

Kathleen Ann Machiela Dies at Zeeland Hospital Shortly After Mishap

ZEELAND (Special) — A three-year-old Zeeland girl died at Zeeland Hospital Friday afternoon of injuries received when she was run over by a car driven by her mother.

Kathleen Ann Machiela, daughter of Mr. and Mrs. Delbert Machiela, of 10473 Mary Ann St., Zeeland, died three-quarters of an hour after the accident of chest and abdominal injuries.

Ottawa County deputies said the mother was backing the car out of the driveway of their home at 3:25 p.m. when the little girl opened the door on the right-hand side of the two-door model and fell out.

The right front wheel of the car ran over her body from the right shoulder across the left hip, deputies said.

Mrs. Machiela and a neighbor woman rushed the girl to the hospital, but efforts to save her life were in vain.

The little girl is the 15th traffic fatality recorded in Ottawa County in 1958.

Surviving, beside the parents, are a younger brother, Bobby; the maternal grandparents, Mr. and Mrs. Martin Bush, of Allendale; the paternal grandparents, Mr. and Mrs. Andrew D. Machiela, of Zeeland; a great-grandmother, Mrs. Abe Brandt, of Hudsonville; and a great-grandfather, Dick Machiela, of Borculo.

Services were held Monday at 2 p.m. at the North Street Christian Reformed Church with the Rev. P. Spoelstra officiating. Burial was in Zeeland Cemetery.

Three persons were injured, one seriously, in a two-car, head-on collision Sunday at 6:18 p.m. on Washington Ave. at 32nd St.

She was a passenger in a car driven by Michael Dyke, 18, of 1594 Elmer Ave., who was treated at the hospital for an injury to his nose and released. The driver of the other car, Preston Vander Slik, 35, of 693 Pine Bay Ave., was treated for injuries to both knees and bruises on his left hand and released.

According to Holland police, Vander Slik was headed north on Washington Ave. and Dyke was headed south when the two collided head-on. Police said Miss Overway was thrown into the windshield by the impact.

Officers said both Vander Slik's 1950 model car and Dyke's 1951 model car were damaged in excess of their value.

Big 2nd Half Gives Dutch 85-69 Victory

INDIANAPOLIS, Ind. (Special) — Following a familiar second half formula, Hope College's basketball team opened up in the final 20 minutes and crushed Indiana Central College, 85-69 here Wednesday night.

The victory was the first in non-conference play for Hope and was achieved in the first meeting with the Indiana school. Hope now has a 5-1 record and five straight wins, following its opening loss to Valparaiso, another Indiana school.

The Dutch left Indianapolis at noon today for Wilberforce, Ohio where they will play Central State tonight at 8 p.m. (Holland time). Central State is an all-Negro school and Hope lost 77-74 in its last appearance in Wilberforce last season.

Coach Russ De Vette was especially pleased with the strong second half Hope defense, plus the fine work of his three outside men in working the ball into his inside men (Paul Benes and Ray Ritsema).

Trailing 41-40 at halftime, the Dutch opened the second half with a quick basket and then went into high gear. Operating smoothly, the Dutch passed into the center where Benes and Ritsema took the shots.

Benes led the second half barrage. After popping five baskets in the first half, Benes sank 10 more in the second half. He also chipped in with five free tosses, three in the second half and finished with 35 points, his highest single game total this season. This gives Benes 140 points in six games.

Following Benes was Ritsema with 10 baskets, four in the second half. Ritsema also had five free shots and ended with 25 tallies. His six first half buckets helped Hope jump to a 27-20 ten-minute lead.

As Hope continued to build its second half lead, the Dutch defenders clamped the Grayhounds and allowed them only out court shots. Indiana Central fired 44 times in the second half and made only nine. Hope picked off the rebound on the majority of the shots.

The biggest margin in the game came with about two minutes to go when the Dutch led, 82-62. Hope made 33 baskets in 93 attempts, including 18 baskets in the second half and ended with 38.8 per cent. Indiana Central hit on 30 per cent of its shots, making 27 baskets.

The Dutch cashed in on 19 of 26 free shots and Indiana Central had 15 of 20. De Vette was able to use his bench and five of his six reserves played. Norm Schut was sent to go into the game when time ran out.

Guard Jerry Lewis paced the Grayhounds with 15 points while Harold Boyd had 13 and Mickey Shircliff, 12. Indiana Central now has a 3-3 record. Center Jim Wiley, at 6' 6", was the tallest Grayhound.

Management Club Hears Talk by G.E. Official

Ninety members and guests of the Holland-Zeeland Management Club and the Western Michigan Section of the American Society for Quality Control were addressed last Thursday night at Cumerford's Restaurant by Dr. A. V. Feigenbaum, Manager of Manufacturing Operations and Quality Control for the General Electric Company with headquarters in New York City. Supplementing his talk with slides, Dr. Feigenbaum showed the evolution of quality control from 1900 to present day.

Dr. Feigenbaum pointed out that of every quality control dollar spent, 65 cents is needed for failure costs (scrap and rejects), 25 cents for appraisal costs (inspections), and only 10 cents is left for prevention costs. Proper prevention techniques of quality control engineering and training can reduce failure and appraisal costs; thus producing a quality product which keeps your company in a favorable competitive position, he said.

The meeting was conducted by Harold Maat, president of the local Management Club. The speaker was introduced by Merrill Bailey of Muskegon.

PUSHES BALL UP — Vern Wedeven (32), Holland Christian center, grabs the basketball and pushes it toward the basket while Gary Gephart (45) of St. Joseph tries to get hand on the ball. Others in the picture are: Ken Walters (30), Jim Smits (22) and Jim Hulst of Holland Christian while St. Joe players are Bob Koch (50) and John Dase (43). St. Joseph won the game at Civic Center, 52-45.

Maroons Drop 52-45 Game For 2nd Loss

A rugged St. Joseph basketball squad outlasted the Holland Christian cagers on the Civic Center court Friday night to whip the Maroons, 52-45. A crowd of 2,000 fans turned out to see the locals drop their second game in three tries and the Bears cop their second straight.

It was a hard fought contest from start to finish with furious backboard play characterizing the play. Both squads with good height waged a tremendous battle for control of the boards which ended about even up. Top rebounding honors, conceded by both coaches Art Tuls and Ray Haack of the Bears, was Christian's junior center, Vern Wedeven. He played perhaps the best game of his career in addition to dropping in 17 markers for the Dutch. Bob Koch and Gary Gephart were the rebound aces for the winners.

While the Maroons dominated the play in the first half, the Bears took over in the second to pull away in the final eight minutes. St. Joe's ability to capitalize on enough fast baskets to win spelled the difference in the contest. The Dutch also had several opportunities for the quick basket, but lacked the polish of the opportunistic Bears. Christian worked effectively off from its predominantly set up offense and had the St. Joe quintet in trouble on several occasions. The Bears who previously had relied upon a wide open style of play, also proved their ability with the pattern offense.

Christian's play has improved considerably during the last couple of games and served notice that with more experience they could be tough. Coach Ray Haack's outfit is a real sound crew and undoubtedly are going to be heard from in class B circles this season.

Baskets by Jim Hulst and Wedeven moved the locals out to a quick 4-0 margin. St. Joe hit on two free throws before the locals collected two more fielders to boost the count to 8-2. At this point the winners made their move and tied up the contest. From then on until the end of the quarter, it was basket trading with the count knotted at 12-12 at the period's end.

Wedeven and John Dase were the big guns for their respective clubs in the well played second quarter. Wedeven was a literal jumping jack to twist and turn for four baskets while Dase, a much huskier lad, got three baskets on one handers. The Dutch held the lead throughout much of the period and at one point were leading 21-16. A couple of timely fast breaks pulled the Bears to a one point deficit. That's the way it stayed until halftime with the locals leading 25-24.

St. Joe showed superior shooting in the third period to slowly overtake the Dutch. Christian's last lead was 33-32 in the closing stages of the period. Balanced scoring was the feature of the St. Joe attack with all five players scoring. Christian was paced by Ken Walters, who played his best game at the guard post. At the period's end, the Bears were holding a 38-25 lead.

After the Dutch narrowed the count to 39-38 to open the quarter, the Bears seemed to get stronger as the game progressed. With Koch leading the way with nine points the St. Joe club just wouldn't be denied. Basket by basket they upped their lead to 49-40 at one point in the stanza. Christian fouled frequently in their efforts to gain possession of the ball. A flurry pulled the Maroons to a 50-45 count, but it was too little, too late.

At the foul line, the Dutch hit only five out of 12 while the Bears connected on 10 out of 20 tries. Wedeven led the Maroons with 17 markets while Koch was high for the Bears with 19.

Garden Club Members Entertain Husbands

"Christmas in Many Lands" was beautifully illustrated in attractive flower and greens arrangements Thursday evening, when Dr. and Mrs. I. J. Lubbers opened their home on the Hope College campus to members of the Holland Garden Club and their husbands.

Beginning with the walk to the house, which had candles set in sacks to light the walk, right through the entire house, members outdid themselves in making the arrangements and other holiday decorations.

The living room was strictly American with a simple but effective Madonna on the mantel. A pink flocked Christmas tree provided the color scheme for the room with arrangements of pink carnations, Madonnas and greens, candlesticks surrounded by greens and flowers, wreaths on the coffee table and a candlestick on the piano.

In the dining room, Merrie England was strikingly portrayed with the lovely buffet arrangements and the dining table done in gold. Even the small table containing the wasail bowl was in keeping with the decor.

Dr. Lubbers' office was transformed into a Dutch room with a mantel arrangement of an old Bible and candlesticks and a yoke with red carnations. An open Bible was placed on the desk with one red rose. A brandy snifter was filled with a large candle and greens.

In the family room several members collaborated to make a Swedish room. A Swedish candlestick, a Lucia doll with a flower arrangement, a pine cone tree, a wreath made from rope and other accessories and lambs with holly showed up to good advantage.

A gingerbread house and snow scene, all edible, was a point of interest. The gingerbread house and figures were made from real gingerbread and all the rest was completely edible.

To show what can be done with stairways and hallways, tiny blue birds and lights were entwined along the railings with a larger bird of ornaments hovering over all. Chests and other small tables in the hallways had their own arrangements of trees, angels and a creche.

Each bedroom carried a theme of French, German and Austrian origin. Red and white carnations in a black and white vase were used in one bedroom. A Madonna with greens and gold arrangements, a white and gold teal tree, an angel candlestick with a pink candle and a special tree for a boy's bedroom were among the decorations.

The doorway to the house was not to be overlooked with greens and the legend Merry Christmas in many languages attached to ribboned greens.

Board members and their husbands received the guests with Dr. and Mrs. Lubbers and Mr. and Mrs. W. A. Butler.

Pouring at the wasail bowl were Mrs. Sidney Tiesenga, Mrs. J. Harvey Kleinheksel, Mrs. Joseph Lang and Mrs. Butler. Mrs. Earle Wright was general chairman and Mrs. F. W. Stanton was in charge of refreshments.

Making arrangements were Mrs. J. Donald Jencks, Mrs. Austin Bocks, Mrs. T. Fredrick Coleman, Mrs. Stanley Curtis, Mrs. William Vandenberg Jr., Mrs. C. Arthur Jones, Mrs. Sidney Johnson, Mrs. Lawrence Towe, Mrs. Thad Taft, Mrs. Robert Breenahan, Mrs. Fred Pickel, Mrs. O. M. Raith, Mrs. Edward Brolin, Mrs. James Lugers, Mrs. Tiesenga, Mrs. William Schrier, Mrs. Edward De Pree, Mrs. D. K. O'Meara, Mrs. Wright, Mrs. Leonard Dick, Mrs. Edward Herpolsheimer, Mrs. O. W. Robinson Township Home Razed by Fire

GRAND HAVEN (Special) — The Harold Smith home in Robinson township was completely destroyed by fire Thursday afternoon incurring loss estimated at \$10,000 for the dwelling and \$3,000 for furnishings.

Since Robinson township has no fire department, no fire fighting equipment was available and Smith could only watch the house go up in flames. Only thing rescued from the house was a chair which Smith managed to get out the front door.

A new garage nearby was not damaged. Smith discovered the fire when he arrived home at 1:30 p.m. from Grand Haven where he had made a payment on the two-bedroom home he and his sons, Joe and Jerry, had built. He was away from home 1½ hours. Mrs. Smith was working in Grand Haven at the time. The sons were away at college. Joe at Michigan Tech and Jerry at Muskegon Junior College.

FEEDING THE LAME-DUCKS

The GOP leaders in Wash-
ington are sprouting gray hairs over
the business of feeding the lame-
ducks of the party. They are dis-
covering that there isn't enough
feed to go round; at least not feed
that is rich enough to keep the
ducks plump and fat.

The last election was of course
to blame. The people at the polls
turned so many Republican ducks
out of office that the competition
for juicy political jobs in Wash-
ington or in the regional or state
offices has become terrific. How
tough the contest for lame-duck
jobs is likely to become is only
now beginning to appear.

The job of feeding the political
lame-ducks has always been an el-
ement in the life of both parties.
After the 1952 Republican landslide
the Democrats had their hands full
finding duck-food for their lamed
party stalwarts. During the thir-
ties and forties it was the other
way round. But back in the twen-
ties the price of feed for lame-
ducks was likely to hit the Dem-
ocrats hardest.

In the good old days of the twen-
ties and thirties and even part of
the forties the job was made lighter
by the fact that the nation's
office holders merely expected
jobs that paid fairly modest sal-
aries. But now that a Congress-
man or Senator pulls down \$22,
500 plus other juicy emoluments,
it is becoming increasingly hard
to find jobs for the political fail-
ure that will let them maintain
their accustomed standard of liv-
ing.

Moreover, the lame-duck public
men expect a much higher take-
home pay than men of their gen-
eral economic know-how could pos-
sibly expect to get in private in-
dustry where they would have to
meet normal competition. Their
theory is that their experience in
government has made them so
valuable to the country that the
American people can't afford to
struggle along without using their
ability.

The lame-ducks may forget that
alleged experience in government
was obtained at the expense of
the public. All they are sure of is
that they are much more valuable
to the American people than the
dumb clucks whose function it is
to scratch gravel in competition
with other clucks so that the of-
fice holders and the lame-ducks
may go on taxing and taxing and
taxing.

But even the best of theories
may break down under the load of
economic fact. When there are as
many of those ducks in the coun-
try at one and the same time as
there are now the prospect for
political jobs with "more pay, less
work" is not too bright.

This is the time of the year
when we are busy with Christmas.
It would be a fine Christmas pres-
ent for everyone if it were possible
to find a way to reduce the dupli-
cation and tax dollar waste —
write your elected officers a Christ-
mas letter or card and suggest
that they start now. If everyone
would do this we might start a
movement that would snowball.
Think it over — It would cost you
very little.

Joy at the Saviour's Birth
Luke 1:46-55; 2:47
By C. P. Dame
(Based on copyrighted outlines
produced by the Division of Chris-
tian Education, National Council of
the Churches of Christ in the
U. S. A. and used by permission.)

Those who know the true mean-
ing of Christmas will have the
most joy. Their joy is not caused
by gifts, by outward things but by
the inner assurance that they be-
long to the Lord Jesus who was
born in Bethlehem's manger and
died on the cross. Christmas should
turn our minds to a Person—Jesus
Christ.

I. Christians have a singing faith.
Our lesson text is composed of two
passages from Luke's gospel. The
first part of the text reveals the
joy of Mary which she expressed
in a hymn which is called Magni-
ficat. This hymn gives us an in-
sight into the character of Mary.
Evidently she had read the hymn
of Hannah, the mother of Samuel,
found in 1 Samuel 2:1-10. Mary was
reared on the Old Testament. She
uttered this hymn after she had
been told that she would become
the mother of the Saviour. In this
hymn she expresses her joy and
her delight in being so highly hon-
ored as to become the virgin moth-
er of God's Son. The Christian re-
ligion has made many people sing.
Christians have something to sing
about. New converts to the Chris-
tian faith in dark pagan lands sing.

In this hymn Mary glorifies God
because of what he has done. "My
soul doth magnify the Lord." She
calls God her Saviour. She believed
that she needed a Saviour. If you
read the hymn carefully you will
be surprised at Mary's many ref-
erences to what God has done.

Mary showed the true prophetic
spirit—God had honored her who
was of low estate and had "put
down the mighty from their seats"
and "the rich he hath sent away
empty." God is on the side of the
humble. Mary also speaks of God's
characteristics—he is holy, merci-
ful, mighty and faithful. We who
know Christ can know God better
than Mary—if we want to.

II. God uses whomsoever he will.
The Roman emperor ordered that
the whole world should be taxed.
The Jews followed their own sys-
tem of enrollment which meant by
families. And they were enrolled
in their respective family centers.
Joseph and Mary were of the
house of David and so they trav-
elled from Nazareth where they
lived to Bethlehem. Luke connects
sacred history with secular his-
tory purposely. He tells us how
God used the Roman emperor in
order to get Joseph and Mary in
Bethlehem so that the Messiah
might be born there. And why in
Bethlehem? Because it was stated
in Micah 5:2 that the Messiah
would be born there. "But, thou,
Bethlehem Ephrathah, which art
little to be among the thousands of
Judah, out of thee shall One come
forth unto me that is to be Ruler
in Israel." The prophet wrote these
words six hundred years before the
event took place. God used a pa-
gan Roman ruler to cause this
prophecy to be fulfilled. In those
days the emperor was considered
important—today we hardly know
him but we more and more honor
Joseph and Mary and we worship
Jesus Christ.

The Lord of glory was born in
a manger among the cattle. The
reason—"There was no room for
him in the inn." Many people still
refuse Jesus and they will not ad-
mit him into their hearts and
homes. Those who have no room
for the Saviour impoverish them-
selves—those who admit him en-
rich themselves for time and eter-
nity.

vealed and gifts exchanged. New

ilton Chapter of the Daughters of

was furnished by Harley Brown,

er. Hope College music students
of Mrs. Norma Baughman and An-
thony Kookler. Mr. Brown and
Miss De Pree offered vocal solos
and duets. Miss Holland-er accom-
panied them and played several
piano solos.

Miss Laura Boyd, regent, pre-
sided at the business meeting.
Christmas devotions were led by
Mrs. Ben Van Lente. Hostesses
were the Mesdames Frank De
Weese, Harold McLean, Kenneth
Peirce and Martha Robbins.

Zeeland Defeats
Christian, 46-42

ZEELAND (Special) — Ze-
land's Chix staged a comeback in
the final quarter here Tuesday
night to take a sweet 46-42 win
over arch rival Holland Christian
before a standing-room only
crowd of more than 2,000. The
Zeelanders kept their undefeated
string intact with four wins while
the Dutch have now a 1-3 mark.

The highly partisan Zeeland
crowd enjoyed every minute of
the Chix drive, particularly since
it was the Chix's first win in three
years over the Dutch. It was also
the first win for Coach Paul Van
Dort over the Hollanders since he
began coaching at Zeeland.

Typical of the annual clashes
between the two schools, neither
club was up to par. Both com-
mitted frequent errors and fouled
needlessly due to the tension.
Christian particularly felt the sting
of the foul as they were called 26
times compared to Zeeland's 15.

The Chix never lead in the con-
test until reserve guard Bill Han-
sen hit on a one hander to give
the winners a 37-36 lead with 2:50
remaining in the contest. Both
clubs traded leads until Christian
led 42-41 with 50 seconds remain-
ing.

Then with 35 seconds left re-
serve forward Marv Feenstra
hit on two foul throws to shift
the one point lead back to the
Chix. Then rugged Jack Van Dort
took over with three more foul
shots to ice the win. Christian
meanwhile missed five foul shots
in the last three and a half min-
utes. All told the Chix scored 10
times from the charity lane in the
last period.

Coach Art Tuls was forced to
use a substitute lineup during
much of the second and third quar-
ters with several regulars in dan-
ger of the fifth foul. The crushing
blow from the Maroon standpoint
came when Vern Wedeven, Chris-
tian's junior center left via the
foul route with four minutes left.
For the second game in a row,
he was the top performer on both
boards in addition to pumping in
20 points for the locals.

Both clubs had offensive trouble
throughout much of the game. It
was not until the last quarter that
the Zeelanders scored with any
consistency, while the locals show-
ed only flashes throughout the tilt.
Zeeland managed just 12 baskets
while the Dutch connected on 16.

Van Dort and Feenstra did great
work on the boards for the win-
ners. In the last quarter drive,
Van Dort took over with seven
points, much of it coming on sheer
drive. Christian's Jim Hulst was
held to only seven points, while
the Chix's veteran center, Wayne
Schout, could garner only two foul
tosses.

Coach Art Tuls' club started fast
and moved to a 9-2 lead at the
four minute mark. Zeeland nar-
rowed the count to two points at
one stage, but the Dutch held the
upper hand at the quarter with a
13-9 margin.

The tempo of the game picked
up a bit in the second quarter,
but the scoring didn't. Zeeland
kept doggedly on the heels of the
Dutch and narrowed the count to
19-17 with two minutes left. Bas-
kets by Reserves Ed De Vries and
Frank Visser boosted the Dutch to
a 23-17 lead at halftime.

Play was slow in the third stanza
with the Hollanders continuing to
hold on to seven and eight point
margins throughout much of the
period. Midway in the period, the
locals led 30-23. Then Van Dort
started to take over and moved
his teammates into striking dis-
tance, but still on the short end
of a 32-28 count at the horn.

Action became fast and furious
in the final period with backboard
play becoming increasingly fierce.
Zeeland went into a zone at the
start of the quarter and managed
to keep the Dutch shooting out-
court. Little by little the Chix
whittled the count until they fin-
ally overcame the Maroons with
three minutes left.

From the foul lane the locals
connected on 10 out of 19, but many
of the missed were of the costly
one and one variety. Zeeland,
meanwhile collected on 22 out of
39. Wedeven led all scorers with
20 while Van Dort was high for
the winners with 18.

Each team hit 26 per cent of their
shots. The Chix made 12 of 47 and
the Maroons, 16 of 62. Christian
entertains Allegan at the Civic Cen-
ter Friday and Zeeland plays at
Comstock Park in a Keweenaw
League game.

Saugatuck Whips
Bloomington

BLOOMINGDALE (Special) —
Saugatuck High's basketball team
finally broke into the All-Van
League win column here Tuesday
night with an easy 72-44 trouncing
of Bloomington.

The Indians led all the way and
enjoyed a 21-9 first quarter advan-
tage and pushed the margin to 37-
21 at halftime. The third period
score was 52-29.

Bob Brackenridge led the In-
dians with 26 points while Bill
Figley followed with 23 and Tony
Hinson had 17. Bloomington
tried to shoot from out but weren't
hitting and Figley was grabbing
most of the rebounds off each basket.

Chapel Crowded for 30th
Presentation of 'Messiah'

A highly attentive audience
crowded into Hope Memorial
Chapel Tuesday night for the 30th
annual presentation of Handel's
masterpiece, "The Messiah," pre-
sented by a 200-voice chorus, ac-
companied by the Hope College
concert orchestra, and featuring
four visiting soloists.

With Dr. Robert W. Cavanaugh
as conductor, the performance was

well paced throughout. The conduc-
tor maintained excellent control
through many elaborate passages
in which the chorus sang with un-
usual power and force, joined by
the orchestra, organ and piano for
excellent timing. Dr. Morette L.
Rider served as associate conduc-
tor for the production. Roger J.
Rietberg at the organ and Janina
Holleman at the piano provided
strong support, not only for the
choral numbers but also for the
many solo passages.

All soloists were in unusually
good voice, adding that final pro-
fessional finish to a musically sat-
isfying evening. All had previously
appeared in Messiah productions
here and their return visits Tues-
day were particularly welcome.

Dorothy Zorn, who appeared
here in 1957, sang the soprano re-
citatives and arias with ease
and sensitivity. Louise Schmidt,
contralto who visited Holland in
1955, gave a flawless rendition of
her selections, particularly the
beautiful "He Shall Feed His
Flock." This aria is followed by
the equally beautiful "Come Unto
Him" soprano aria.

William Miller, who has sung the
tenor selections here on previous
occasions, maintained excellent
control giving a fine interpretation
of the beautiful arias and recita-
tives. His voice shown to advan-
tage in the opening numbers,
"Comfort Ye, My People" and
"Every Valley Shall Be Exalted,"
gems in any tenor's repertoire.

Richard Schreiber, also on a re-
turn visit from last year, gave a
stirring rendition of the dramatic
bass selections. In traditional form,
he turned to the chorus for a re-
peat of the intense, "Why Do the
Nations"

Dr. John W. Hollenbach, Hope
College vice president, gave the
invocation.

As is customary in Holland, ap-
plause was withheld until the final
number, the climactic "Hallelu-
jah Chorus," after which Dr. Cavanaugh signaled the soloists, the
orchestra, the accompanists and
associate conductor, and finally
the chorus, for bows to rolling ap-
plause.

Seriously Injured
As Train Hits Car

GRAND HAVEN (Special) —
Robert E. Hardin, 53, of route 1,
West Olive, was reported in fair
condition Wednesday at Hackley
Hospital in Muskegon with injuries
received when his car was struck
by a train at 10:30 p.m. Tuesday
at the Ferris St. crossing in Grand
Haven Township.

Hospital officials said Hardin re-
ceived a fracture of the left leg
and multiple facial lacerations
and abrasions. He was taken first
to Grand Haven Hospital and later
transferred to Muskegon.

According to Grand Haven State
Police, Hardin, going east on Fer-
ris St., stopped for the crossing
and then started across the tracks.
The C and O train, headed north,
smashed into the rear end of the
car.

The impact threw the 1946 model
car 72 feet down the tracks,
police said, totally demolishing it.
Hardin was alone in the car.

Zeeland Nips
Little Maroons

ZEELAND (Special) — Holland
Christian's Little Maroons lost
their second tough one in a week's
time here Tuesday night as they
were eked out by the Zeeland re-
serves, 44-43. It was Zeeland's
fourth straight win and Christian's
third loss in four starts.

The Hollanders were forced to
stage a comeback after trailing by
eight point in the third quarter.
Four times the Dutch narrowed
the gap to one point, but couldn't
take the lead. They had two op-
portunities in the last few seconds
but missed both a free shot and
a basket that rolled around the
rim. Christian's chances were
dimmed considerably in the second
quarter when they lost their top
rebounder, Harold Diepenhorst
with a back injury.

Dutch Defeat Kazoo Central By 47-41 Score

Some fine foul shooting in the fourth quarter Saturday night in the Civic Center gave the Holland High basketball team a 47-41 decision over Kalamazoo Central and its third straight victory.

More than 1,500 fans were on hand to watch the Dutch surpass their entire 1957-58 record of wins and to defeat the Maroon Giants for the first time since 1952.

Holland made 10 of 11 free tosses in the fourth quarter and added two field goals to overcome a one-point 34-33 third period deficit while holding Kalamazoo to seven points in the final eight minutes.

The free throws were brought about as the Giants tried to gain possession of the ball and committed the violations with their pressing-type game.

With Holland leading 41-39 with 3:16 to go, the Dutch began somewhat of a stall. The first Kalamazoo foul gave Ron Maat two cracks at the hoop and he made them. Kalamazoo's Bob Gugler then sank a basket to narrow the count to 43-41 with 1:17 remaining.

But two more fouls gave Ed Loncki two chances and then Jack Hulst followed with a pair and all four shots were made to push the margin to six points.

The game was ragged for both teams and as Coach Bob Connell said "it was a typical Saturday night game." High school teams always seem to have trouble reaching a peak on Saturday for a basketball game.

Both teams made several passing mistakes and floor violations while the shooting was fair. Holland hit 17 of 43 in the game for 39 per cent while the Giants sank only 14 of 50 for 28 per cent.

Neither team was getting a lot of shots because of the wild passes and bobbles. The rebounding was about equal with Kalamazoo holding somewhat of the edge in the first half and Holland in the final two quarters. Center Ed Loncki did his best work on the boards in the fourth period.

Holland led at the end of the first quarter, 11-9 and the Giants, who hit on six of 17 in the second period for their best quarter, took a 25-19 halftime lead. Holland made three baskets in the second quarter, all outcourt shots by Jack Hulst, who did a good job of filling in for Jim Overbeek, who wasn't hitting.

Holland again found the third quarter to be its best, hitting on seven of 14 shots, as they drew within one point at the can't close. But they failed to hit three free shots. In the first three quarters, they had made only three of eight.

Fortunately in the fourth quarter, the Dutch found their foul shooting eyes because they were able to hit only two baskets in seven tries from the floor, for their worst period in the game. Each team made 13 of 24 free shots in the game.

Ted Walters was called for three fouls in the first period and Connell called on Hubby Harrington to fill the gap. Harrington added a bucket. The Dutch coach praised the work of Hulst and Harrington in the reserve rolls.

He was pleased with the way Holland came back in the second half and played much better ball than in the first two quarters but felt the Dutch had a lot of work to do on some of the kinks before playing at Muskegon Heights Friday. Connell said the Tigers Friday night and reported that they have another strong unit.

Ron Maat, who turned in a fine game for the Dutch, was leading scorer with 11. His driving layups were a highlight of Holland's offense and he did a good job of controlling the ball. Walters, Glenn Van Wieren, Loncki and Hulst followed with eight each. Gugler passed Kalamazoo with 15 and Dick Cassello, a clever ball-handling guard, chipped in 14.

Some Schools Face Removal Of Yule Trees

Christmas trees may have to be removed from some locations in outlying schools as the result of regulations on Christmas trees in schools issued by the state fire marshal's office.

Lloyd Van Raalte, superintendent of the West Ottawa Public Schools, has interpreted these regulations as having to be carried out to the letter and has informed principals in the 13 or 14 schools to enforce them.

Van Raalte felt the necessity of strict enforcement in view of the fact that some school buildings are of wooden construction and quite far removed from fire stations. The fire marshal's regulations restrict location of trees to auditoriums, multi-purpose rooms, kindergarten rooms or gymnasiums and not in hallways or corridors. There also are strict rules for use of electric lights, removal, etc.

Administrators at Holland Public Schools and Christian Schools said they had not received the fire marshal's list of rules and had observed the usual caution in having freshly cut trees and in removing them from the premises the day school closes or the next day. Public School Maintenance Supt. Ed Prins said he has placed new fire extinguishers in areas near Christmas trees.

In general, local school employees have exercised the usual precautions in the use of Christmas trees in school this year with insistence on freshly cut trees, use of non-flammable ornaments and adult supervision.

Local schools have several inspections each year, usually two by the Holland fire department, two by insurance representatives, one or more on boilers, one or more on gas and assorted other inspections.

The game was tied 12-all at the end of the first quarter and Lawrence took the halftime lead, 34-22. The third period score favored the winners, 57-40.

Bob Bakenridge paced the Indians with 23 points while Norris had 22 for Lawrence. Tony Hinson made 13 for Saugatuck and Jim Sanbourg scored 14 for Lawrence. All of Sanbourg's baskets came on long side court shots. Norris sank 17 of his points in the second half.

Circuit Court Dismisses Two Cases

GRAND HAVEN (Special) — On petition of Prosecutor James W. Bussard, two cases were nolle prosequi (dismissed) in Ottawa Circuit Court Friday.

A charge of negligent homicide against Allen Gene Buurma, 18, of 292 West 18th St., Holland, was dismissed because the prosecutor felt that the "hung jury" verdict was the result of honest and sincere deliberation. Bussard added there is no reason to believe that this doubt would be eliminated or resolved in another trial since there is no further evidence to be presented.

The case was the result of an accident last May 17 at 28th and Central in Holland where Buurma's panel truck hit a car driven by a South Bend, Ind., resident. The impact sent the Indiana car over the curb, hitting 10-year-old Jerry De Ridder who died later in St. Mary's Hospital in Grand Rapids.

The other case was a non-support charge against Robert Lynch, 34, Grand Haven, brought on complaint of his wife charging non-support of their two small children. Bussard's petition stated Lynch has contributed sizeable portions of income while working to his wife and children, and it appears from investigation that the purpose of the complaint was in the hope of getting a longer sentence for the respondent in Southern Michigan Prison where he has been returned as a parole violator. The petition pointed to the possibility that Mrs. Lynch had hoped to collect ADC (aid to dependent children) for a longer period of time.

Toy Collection Is in Final Week

This is the final week for toy contributions in the giant Moose "Operation Santa Claus" drive which will assure a "toy-full" Christmas for every needy boy and girl in Holland.

The response by all residents has been tremendous, said Howard Dowstra, chairman of the local Moose lodge civic affairs committee. "But we still need a lot more toys to fill all the empty stockings we're going to find on Christmas Eve."

"Operation Santa Claus" toy collection depots are conveniently located at the following business houses and addresses: both fire stations, McKay's Confectionery, Vogue restaurant, Hettinga Produce, Moose Club, Elk's Club, Eagle Club, Vets Club, Pioneer Club.

The local drive is part of a giant international campaign conducted by the Loyal Order of Moose in all parts of America, Canada and Alaska. "But all toys collected locally, will be distributed locally," said Chairman Dowstra.

Latest reports from national headquarters of "Moose Operation Santa Claus" indicate that over a million toys will be collected in the more than 1,800 communities where the campaigns are being conducted.

Dutch Score 4th Straight MIAA Victory

KALAMAZOO (Special) — Hope College's basketball team avenged its lone MIAA setback last season with a 70-57 decision over Kalamazoo College here Friday night before 1,100 fans in Treadway gym.

For the Dutch it was their fourth straight league win in as many starts while the Hornets are now 1-2 in the MIAA. Hope is 4-1 overall.

The contest was rough and marked with frequent fouling and 50 fouls were called. The Hornets were called for 31 violations and Hope for 19.

An 18-point spurt covering seven minutes in the first half made the difference in the game. With Hope trailing, 12-9 with 13 minutes to go, Hope scored 18 points while holding the Hornets to two free shots and pushed the score to 27-14 with 6:05 to play in the first half.

Ray Ritsema was the big offensive threat during the spurt. He scored 10 points while Paul Benes scored four points and Jun Buursma and Warren Vander Hill, each two.

But the Hornets came back, with Atis Grinbergs leading the scoring, and trimmed the margin to eight points at half, 33-25.

Hope pushed the margin up to 13 points, 56-43 at the 10-minute mark and closed with the same difference.

The Dutch had trouble with their shooting and sank only 22 baskets in 70 tries for 31.4 per cent while the Hornets sank one less basket in 72 attempts for 29.2 in the first half. Hope had connected on 13 of 27 and the Hornets on eight of 34.

Kalamazoo outscored the Dutch from the floor in the last 20 minutes, hitting on 13 baskets while Hope made nine. Six of the Hornets' baskets were made out around the key by guard Bob Fletcher.

Hope took some advantage of the Kalamazoo fouls and sank 26 of 41. The Hornets had a better mark, but less tries, hitting on 15 of 22.

The Dutch had trouble early in the game moving the ball into the center. Later in the game, they were getting the shots in closer, but weren't hitting.

Hope forced Kalamazoo's front court men out and they couldn't get the shots. The shots Bob Brice and Walt Maser, who were playing the corners, did get were usually picked off by Benes or Ritsema, who did good jobs of rebounding. Benes also was strong on the offensive boards.

Brice and Maser were counted on by the Hornets to score. Benes held Maser without a field goal and Brice made only one, in the final minute of the game. Last season both were hitting from the corners and Maser made 21 points and Brice, 20.

Darrell Beernink did another fine job of ball handling. He carried out his job of getting the ball into the big men. His quick hands picked off several long rebounds and he made a couple of long shots. He especially bothered them in the final stages and picked up four free tosses.

Daryl Siedentop received his heaviest workout in the three years on the club and the performance he made will probably set him up for additional duty. He replaced Warren Vander Hill and played about three-quarters of the game.

Vander Hill drew three quick fouls and Siedentop replaced him. Vander Hill returned and drew a fourth foul with five minutes to go in the first half and Siedentop finished the game. He did a good job of ball handling.

Benes led the Dutch with 22 points while Beernink was second with 18 and Ritsema had 17, 14 in the first half. Fletcher made 20 for the Hornets and Grinbergs had 15.

Charleston Jury Frees John Mahon

Young Airman States Act Was Self-Defense Against Businessman

CHARLESTON, S. C. — A jury early Friday found Airman 3-C John Joseph Mahon innocent on charges he bludgeoned to death a Charleston businessman on Halloween night.

Mahon, of Holland, Mich., testified at his three-day trial that he struck Jacob Dobbins, 30, several times with a brass candlestick but was only trying to defend himself. He said he did not intend to kill Dobbins, credit manager for a local chemical company.

The jury deliberated more than five hours before returning its verdict.

The state tried to show a robbery motive in the slaying.

One of Mahon's superiors at Charleston AFB, where Mahon is stationed, announced after the verdict the young airman would be given furlough through Christmas. Mahon was to leave for home today with his mother, Mrs. Ben Zuerink of Holland who was here for the trial.

Mahon testified he struck Dobbins three or four times with a candlestick because Dobbins made improper advances.

"I didn't mean to kill him," the 130-pound young airman said softly. "I was just trying to defend myself."

Be Careful In Parking

GRAND HAVEN (Special) — The Ottawa County Road Commission today sought the cooperation of fishermen in refraining from blocking drives or parking in the traveled portions of roads while they pursue their angling skill.

Irresponsible parking has resulted in several complaints to the commission, both from county personnel operating snow removal equipment and from residents who find their drives blocked. Most complaints centered in the Stearns bayou off Grand River in the northern part of the county, but there have been violations in many localities.

Following a discussion of the problems at a regular meeting of the commission Thursday, it was decided to refer such complaints to law enforcement agencies with suggestions that tickets be issued.

In other business, the commission took bids on a brush clipper and on removing a house from property adjoining the commission offices which recently was acquired. Bids were taken under consideration for action at the next meeting.

A plat known as Brower's Supervisors subdivision which is part of Troost's subdivision in section 19, Holland township, was approved. Section 19 is in the vicinity of Lakewood Blvd. near Holland.

Share with your fellow men, as they share with you. Life is wonderful. Real joy comes from sharing with others."

He encouraged the blind never to turn down the assistance of the public, as they do it in good faith, wanting to help those who are less fortunate than themselves. Mr. Sherwood told of his ambition to be a preacher, and although he had many problems to face, he was finally ordained to the ministry in 1937. He has travelled over 50,000 miles a year alone in his work.

Consumers Seeks Permission To Build Port Sheldon Harbor

A request for permission to build a harbor at Port Sheldon has been made by Consumers Power Co., with the U. S. Army Corps of Engineers.

The utility firm, that plans to start construction of a multi-million dollar steam-electric generating plant next year, has applied for permission to build breakwaters and a discharge channel.

The harbor would be 27 feet deep, 300 feet wide and extend 2,300 feet (almost a half-mile) into Lake Michigan from the shoreline. Breakwaters would protect the channel on both sides of the lake. They would be built out of steel sheet piling, rock-filled cribs, and cells having 20 foot opening for the passage of small craft near shore.

Some 355,000 cubic yards of dredged material is to be placed on shore. The channel is to be 425 feet wide at the entrance in Lake Michigan.

A second request was made by Consumers to build a water discharge channel (to run cooling water from the new power plant back into Lake Michigan.) It would be located .8 of a mile north of the new harbor.

The discharge channel would be 90 feet wide and dredged to a depth of 10 feet and extend 400 feet into the lake.

Key Committee Chairmen Named for March of Dimes

Initially, the attack will be focused on polio, virus diseases, arthritis and birth defects. Patient aid will be offered victims of arthritis and congenital malformations of the central nervous system through age 18. Polio aid will follow the same pattern of previous years.

Reek has named the following service club representatives as chairman of committees: Howard Van Egmond, Kiwanis, polio plank and wishing well; Dave Basket, Junior Chamber of Commerce, organizations, clubs and special events; Harvey Tinkhott, Noon Optimists, canisters; Jay Formisma, Lions Club, merchants and business; Harold Streeter, Exchange, schools and churches; Don Reek, Breakfast Optimists, teenage program; William Bradford, Rotary, individuals and professional; Mrs. Howard Van Egmond, Kiwanis Queens, and Mrs. Robert Ziegler, JCC Auxiliary, Mothers' March.

PRODUCTIVITY PAY WINDOW

Productivity is a great quality to possess. It can do more to make a town prosperous than almost anything.

Productivity is the delivery of a full measure by machines, money, men or materials. The best productivity results from constant striving to better past performance. Productivity pays off for everybody whenever everybody works at it.

When it comes to attracting business, a new in-

dustry for example, the very reputation for productivity will give your town a special pulling power. Competition these days makes it necessary for a company, or town, to have productivity around in plain sight. Otherwise the company or the town won't be in plain sight very long.
